WRIGHT STATE UNIVERSITY

Wright State University offers many innovative programs in a variety of areas through 100 undergraduate programs and over 40 graduate and professional degree programs.

Our mechanical, materials, electrical, biomedical and computer engineering programs, and the engineering physics program, are accredited by the Accreditation Board for Engineering and Technology (ABET).

Our College of Business and Administration programs are accredited by the American Assembly of Collegiate Schools of Business (AACSB).

The College of Science and Mathematics offers programs in life, chemical, and environmental sciences, and in medical technol-

Russ Engineering Center

ogy, as well as a Ph.D. in psychology.

Theatre and the arts, along with a strong communication program, highlight the many programs available in the College of Liberal Arts.

The Wright State University-Miami Valley College of Nursing and Health offers both bachelor's and master's programs to prepare students to meet the current and future challenges of the health care field.

Other care-related professions are found in the College of Education and Human Services, where students prepare for teaching and counseling opportunities in the public and private school environment and in the corporate arena of training and development and employee assistance.

The Student Union

WRIGHT STATE UNIVERSITY

THE UNIVERSITY

✓ The Paul Laurence Dunbar Library's Department of Special Collections and Archives houses one of the world's most complete repositories of original documents, memorabilia and personal photographs from the Wright brothers.

✓ The university's Ervin J. Nutter Center, completed in 1990, provides seating for up to 13,000 spectators for events ranging from basketball games and entertainment to conferences and commencements. It is home to the WSU athletics department and sports medicine facilities.

✓ Wright State University offers one of only two aerospace medicine residency programs for civilians in the nation.

✓ More than 60,000 students have graduated from Wright State since 1967, with nearly half of them remaining in the greater Dayton area.

✓ Nearly 2,500 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus.

✓ An extensive underground tunnel system links most WSU main campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities.

✓ Although most WSU students hold jobs on or off campus, many are involved in one or more of the 100 student clubs and organizations that give vibrancy to campus life.

✓ The university offers 16 Division I intercollegiate athletic programs and many students participate in the intramural sports programs.

Paul Laurence Dunbar Library

SWIMMING AND DIVING

✓ Two Raiders competed at the 2000 Sydney Olympic Games in Leonard Ngoma and assistant coach Sion Brinn.

✓ Matt Liddy has combined for 150 dual-meet wins in his 11 years as head coach. He has also received seven conference Coach of the Year awards during that period.

✓ Karyn Stubbs, Amanda Dieter, Amy Hutchinson and Justin Thornton combined for 14 appearances in the NCAA Division I Championship Meet.

✓ The women's swimming and diving team was chosen last season as an Academic Swimming Team by the

College Swimming Coaches Association of America for the eighth straight year.

✓ Wright State has had an international flavor in recent years as athletes from Australia, Canada, Costa Rica, England, Finland, Mexico, Norway, Slovenia, South Africa, Spain, Sweden and Zambia have competed for the Raiders. In addition, diving coach Liyi Wang hails from China and coached their Olympic squads during the 1980's.

The university's four original buildings

HEAD COACH

Matt Liddy

Head Coach

12th Year

When you look at Matt Liddy's resume, you would immediately assume he has been around the coaching profession closer to 40-50 years rather than the actual 12 years. Numerous Coach of the Year Awards, student-athletes in the NCAA Championship and now one in the Olympics, over 150 dual meet wins and nine conference titles dot his long vita.

The Dayton native has certainly established his alma mater as not only a power in the Midwestern Collegiate Conference, but also regionally and nationally. Since taking the reigns before the 1989-90 campaign, Liddy has developed 114 individual conference champions and 42 conference relay championship teams. Also, to his credit, the College Swimming Coaches Association has honored his women's squad for maintaining a grade point average of 3.0 or higher eight straight years.

Recruiting has always been a great lover of Liddy's as displayed by his perseverance in bringing the very best to Wright State. Through the years, he has not only searched the Dayton area but has also been able to find talent from Florida to California as well as all four corners of the earth.

An outstanding swimmer himself at Chaminade-Julienne High School, the four-time YMCA national qualifier earned his bachelor's degree in education from WSU in 1985. Liddy was the head coach for the Dayton Northwest YMCA before coming back to the Raiders as an assistant coach. While an assistant under currently LSU head coach Jeff Cavanaugh, Liddy helped guide the Raiders to five Top Ten finishes in NCAA Division II in a three-year span.

Liddy has three children, Jeremy, Kayleigh and Tyler, and resides with his wife, Lisa, in Englewood.

COACHES & SUPPORT STAFF

Sion Brinn

**Assistant Swimming
Coach
First Year**

Sion Brinn is the newcomer on the Wright State coaching staff this season, but his experiences in swimming have taken him all around the globe.

Originally from Kingston, Jamaica, Brinn competed for Great Britain in the 2000 Olympic Games in Sydney, Australia as part of the 400 medley relay team, finishing eighth, and the 400 free relay team, placing ninth. He also took part in the 1996 games in Atlanta, finishing 12th in the 100 meter freestyle. His highest-ever finish was second in the World Cup sprint category in 1997.

Brinn began his collegiate career at Indian River Junior College in Fort Pierce, Florida, where he competed from 1992-93 and was the junior college national champion in the 50 and 100 free. He then transferred to Louisiana State University where he was an All-American in both 1994 and 1995.

Since November 1997, Brinn has competed for Great Britain as a professional world-ranked swimmer and has also conducted many swim camps and stroke clinics during that time.

Brinn graduated from LSU in 1996 with a degree in kinesiology. He currently resides in Dayton.

Liyi Wang

**Head Diving
Coach
10th Year**

Head diving coach Liyi Wang has made some indelible marks in his nine seasons at Wright State. In 1991-92, he coached the North Star Conference Diver of the Year, Jodi Train, and helped her earn 1993 Mid-Continent Conference Female Diver of the Year honors as well. In 1994, he led Amy Hutchinson to become the Mid-Continent Conference's Female Diver of the Year and then directed her to the same award in the MCC in 1995. In 1997, both Jared Bitner and Karen Lesh were named as the MCC Divers of the Meet for the men and women, respectively. The numbers are up in the diving program, and the foundation for a great future has been laid.

Prior to coming to WSU, Wang was an assistant diving coach at Princeton University for two years. Born in Shanghai, Wang was an accomplished diver himself as a member of the Shanghai diving team from 1960 to 1971, earning fourth place in the 1965 Chinese National Games. Wang then coached the Shanghai divers for six years and spent 10 years at the helm of China's national team when three of his female divers were World Cup champions. Wang also led China's Olympic squads in 1980, 1984 and 1988.

Wang graduated from the Shanghai Physical Education Institute in 1966. He was awarded the Chinese All-Sports Honorable Award, which is the highest award given by the Chinese Sports Federation.

Wang resides in Dayton with his son, Pei Chang Wang.

Harold Miller

**Assistant Diving
Coach
11th Year**

Harold Miller enters his 11th season as the Raiders' assistant diving coach, but he has definitely played a role in the development of the program after a stint as Wright State's head coach from 1973-80. Miller started the Dayton Raiders diving club in 1973 and has coached 11 All-Americans, two YMCA National Champions and one National Junior Olympic Champion. As assistant diving coach, he is responsible for many tasks of both the swimming and diving programs. The father of former Raider standout Rick Miller, he and his wife, Kay, live in Centerville.

Matt Bekkedal

**Strength &
Conditioning Coach
Third Year**

Matt Bekkedal is in his third year at Wright State as the strength and conditioning coach. Working with all 16 Raider sports, Bekkedal supervises a year-round program designed to improve the overall athleticism of each individual athlete.

Prior to coming to WSU, Bekkedal was an athletic trainer with the New Orleans Saints of the NFL. He also has previous experience as a minor league trainer with baseball's Chicago White Sox.

Bekkedal received his bachelor's degree from UW-La Crosse in 1993 and a master's degree from Bowling Green in 1994.

MIDWESTERN COLLEGIATE CONFERENCE

The Midwestern Collegiate Conference, now in its 22nd season of existence, continues to build upon a strong foundation of institutions with a tradition of broad-based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The MCC continues to strive to maintain the goals and objectives necessary to achieve national prominence as a top 10 Division I athletics conference.

The MCC has established specific goals for upgrading the league's market and competitive positions, with an eye toward continually enhancing the student-athlete experience. The conference has a commitment to engage both its staff and member-institution administrators and students to serve on national-level committees. The conference is an affiliation of eight institutions with similar athletics goals that provides stability and major-market exposure.

MCC markets, including five of the country's top 30 television areas, cover more than nine million TV households and encompass nine percent of the nation's television audience. The member institutions are generally located in major metropolitan areas and benefit from the

business, cultural, educational and entertainment resources available to the university community.

Originally founded in 1979, the MCC was initially a men's-only sports league, but added women's athletics in the 1986-87 season. League members continue to advocate competitive athletics as a valuable educational experience and as an important component in the process of higher education.

The league features both public and private institutions committed to fielding a broad-based NCAA Division I athletics program that develops physical fitness, academic development and moral char-

acter in its student-athletes. Among the MCC's established operating principles are efforts to maintain integrity, gender equity, academic excellence and fiscal responsibility in the athletics enterprise.

Best known for its men's basketball success, the MCC offers a total of 18 different championship sports. The league enjoys NCAA automatic qualification or play-in access in baseball, men's basketball, women's basketball, men's golf, men's soccer, women's soccer, softball, women's tennis and volleyball.

ACADEMIC HONORS

For the eighth straight year, the 1999–00 Wright State University women's swimming and diving team was honored for its academic excellence by being selected as an Academic Swimming Team by the College Swimming Coaches Association of America for maintaining a grade point average of 3.0 or higher.

Twelve Raiders return this year to continue Wright State's tradition of academic excellence. Pictured above are (front row) Chrissy Johnson, (second row, left to right) Mindy Ickes, Heather Weil, Nicole Stafford, Melanie Micklas, Katy Colmenares and (back row, left to right) Noelle Bailey, Stephanie Waldbillig, Melissa Schmidt, Katie Scholl and Chasi Riley. Not pictured is Kristi Gossett.

About Wright State University

As a relatively young, state-assisted university, Wright State is unfettered by stale traditions. In keeping with the innovative spirit of the Wright brothers, the university offers cutting-edge academic programs and unique community partnerships that prepare students to become alumni ready to succeed in and address the needs of an ever-changing global community.

The university serves nearly 16,000 students with programs leading to more than 100 undergraduate and 40 graduate and professional degrees through six colleges and three schools. Wright State offers innovative educational programs, including doctoral programs in biomedical sciences, human factors and industrial/organizational psychology, medicine, and professional psychology; one of only two aerospace medicine residency programs for civilians in the nation; and a post-master's educational specialist degree program. Wright State's theatre, accounting, chemistry, geology, and engineering programs are recognized for excellence. The WSU Lake Campus near St. Marys and Celina, Ohio, offers associate and pre-baccalaureate degrees as well as an M.B.A. program.

Wright State provides a supportive and caring learning environment featuring a 557-acre main campus boasting

beautiful green spaces and new, modern, and fully accessible facilities including an extensive underground tunnel system linking most campus buildings. Over 2000 students choose to live in university residence halls which are equipped with state-of-the-art technology. The Wright State Raiders compete in 16 intercollegiate sports at the NCAA Division I level. Although most students hold jobs on or off campus, many are involved in one or more of the 150 student clubs and organizations that give vibrancy to campus life. The Ervin J. Nutter Center, a state-of-the-art sports and entertainment complex, and other recreational facilities are available to students on a daily basis. Besides intercollegiate athletic events, the Nutter Center hosts convocation, concerts, and other cultural and entertainment events, seating up to 12,000.

Wright State University's faculty is dedicated not only to advancing the frontiers of knowledge but also to applying knowledge to real problems. Most classes are small and taught by fully affiliated faculty members, 80 percent of whom hold the most advanced degrees in their fields. In addition, students gain hands-on experience through a variety of community-based programs, cooperative education, internships, and research projects operated with industry and government.

2000-01 Swimming & Diving Schedule

October

20	Friday	at LSU (Both squads) w/Houston (Women only)	6:00
27	Friday	at IUPUI w/Butler & Western Illinois	7:00
